President's Message - Sue Luque

Hi Everyone,
The summer flew by and fall is almost here!!

I haven't done much quilting this summer,
I hope you have. I have been stuck on coming up
with a way to quilt my string theory quilt made
with little scraps of batik. I want to try something
new but I can't make a decision so it sits on the
Table in my sewing room waiting for me to make up my mind.
It will be there for a while!

I am looking forward to this Guild year, more speakers, more new
members, more inspiration!

If you have not renewed your membership, please bring the form and
dues to the Sept 24th meeting. When you consider all the guest speakers
we get to see, the guild members you get to meet, learn from and
befriend, the library we have access to, workshops, outreach, coffee/tea
and snacks, it's still a pretty good deal for \$45.00.

Please, remember to wear your name tag every month to ensure that
everyone will learn your name. Don't forget to "Lug-A-Mug" for your
coffee or tea.

See you Sept 24 at the Guild meeting,

Sue

Happiness is
finishing a quilt!

Program by Irene Rushworth & Judy Ferguson

Our guest speaker for September will be Noshi Gulati from Binbrook.

1996 was a turning point in her life when she saw her first quilt, and could not believe you could manipulate fabric to make such intricate designs. It was love at first sight and she was hooked. The journey continues to this day.

She enjoys the challenge of original designs and like to incorporate traditional design elements and bright colours. Her favourite part of quilting is hand appliqué and hand quilting. She compares hand quilting to meditation.

"Come with me on a humorous quilting journey through life to India and back."

2018 – 2019 Block of the Month!
by Mary Dodd & Marian Baidacoff

This year for Block of the Month, we are going to do something different - we are going to make a Row Quilt with a Canada theme.

Each month you will be given a pattern or two to help you complete your version of the quilt which is yours to keep. We will try to have both piecing and appliqué options.

There will be a \$5.00 fee to cover the cost of the photocopying. You will receive a colour copy of two versions of this quilt as well as monthly patterns and ideas to make it your own. All we ask is that each month you show us some evidence of blocks you have made before you get your next pattern(s).

A table will be set up each month so that you can pick up your pattern at the break and a finished quilt will be there every month for you to review.

This quilt will be individually yours and you are encouraged to use the patterns as a starting point to create your own unique quilt.

Please bring \$5.00 to the September guild meeting if you would like to sign up for the Block of the Month.

See the finished project on next page!

Marian & Mary
